Taux de droit de douane universel

Droit de douane applicable aux 27 pays et territoires

15% of FOB value*

(*) Goods originating in the European Union are subject to a universal (also called reciprocal) duty rate of 15% minus the applicable MFN rate in cases where the latter does not exceed 15%. For goods subject to a MFN rate exceeding 15%, no additional reciprocal duty is applied. Goods determined to have been transshipped to evade the universal (also called reciprocal) duty shall be subject to a duty rate of 40% and an applicable or appropriate fine or penalty. The universal (also called reciprocal) duty rate indicated is only applicable to the non-U.S. content of the goods, provided at least 20% of the value of the goods is U.S. originating.

UCD:

A universal customs duty is a distinct duty measure and applicable in relation to the MFN or other applicable duty rates.
